

## MUSICAL BOOKS

Freddie the Frog is a fantastical four-book with companion CD series that helps preschool through elementary-age children learn musical concepts while they are duly immersed in Freddie's colorfully illustrated adventures (\$24 each, [freddiethefrogbooks.com](http://freddiethefrogbooks.com)). Developed and authored by a music teacher, the books and companion

CDs provide an accessible, entertaining and highly effective form of literature-based music education that kids absolutely love.
